Dear Mr. Meng:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Line 21(a) of the Detailed Summary Page should only be used to report the federal and non-federal shares of allocable activities. If your committee has only one account, the total operating expenditures (administrative expenses) should be reported on Line 21(b). Please amend your report to confirm the nature of your expenditures and to provide the total on the appropriate line.

Any amendment or clarification should be filed with the Federal Election Commission. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,
